The news from the State indicates the de- there was more activity manifested under the fafeat of the Constitution by a handsome majority, vorable advices received, and the price advanced to 59@60 cents, closing at highest figure, and all offered on market found sale. To day (Thursday) 60 cents is offered, and factors generally holding at 61 cents. The sales for the week are 683 bbls., as follows: Friday ...

Wednesday .. 14

Bosin-The activity noted in the market for the lower grades at the close of our last review continued curing the early part of the week just closed, and up to Tuesday former quotations were fully sustained. Since Tuesday, however, there has been some duliness in the market, and the unfavorable tenor of the advices from abroad has caused a decline in price of 10@15 cents, and the market closes with little or no enquiry. For No. sactions have taken place. For Pale there has been a fair enquiry and parcels have found ready sale when offered. The stock of all grades, however, is very much reduced, and receipts meagre. The sales for the week are 4,745 bbls., as follows: Augusta, Ga. April 22—P M

The election in this city is progressing without \$4 75 for low Pale; Tuesday, 218 bbls. at \$2 50 for strained and No. 2, \$3 for No. 1, and \$6@\$7-for Pale;

Wednesday, 688 bbls. at \$2 40 for strained, and \$4 50 for No. 1-all \$280 lbs.

TAR-Has been in better enquiry for shipment. and the market has ruled quite firm-closing at \$2 50, which is an advance of 35 cents. The sales for the week are 960 bbls., as follows: 755 bbls, at Barrels.-The supply of empty spirit barrels ted. We hear of only small transactions as follows Second hand, \$2 371@\$2 50 as they run, and \$2 75 @\$3 for selected;—new, \$2 75@\$3 for country, and \$3 25@\$3 75 for N. pine, and \$3@\$3 50 for oak. BEEF CATTLE. - Scarcely any beeves are now being brought to market, and in consequence the supply in butchers' hands has become nearly worked off. There is a fair enquiry, and a few droves would readily sell at high figures. Wo quote on the hoof at prices ranging from 10 to 15 cents # fb., net, according to quality.

CORN MEAL. — Is in ful supply, and sells from the mills at \$1 45 to \$1 50 \$ bushel, in lots to suit. Corron-The market during the past week has been in rather an unsettled condition, and prices have fluctuated from 281 to 30 cents for middlingclosing on Wednesday at 29 cents. The advices from abroad at the time of closing our report are rather better and have imparted more firmness to the market here, causing factors to hold at figures above the views of buyers-and consequently have had the effect to check transactions for the present; there is, however, very little offering on market. We quote sales of only 100 bales at 27 cents for ordinary, 28@291 cents for low middling, and 281@30 cents for middling.

IRON BANDS AND TIES for Cotton sell from store at the following figures : Beard's Lock Tie Wailey's Buckle Tie, 101 cents; Arrow Tie, 10 cts. Eggs-Are in moderate request, and but few

FEBTILIZERS-The market is pretty well supolied with most descriptions, and we note a very Chief Justice Chase ordered Mr. Boutwell to the total vote for three days is 4,287; city 1,497. Raw Bone Phosphate, \$60; Zell's Superphosphate of Lime, \$65; Zell's Raw Bone Phosphate, \$65; Rhodes' Standard Manure, \$65@\$70; Woolston's Phosphate of Lime, \$65; Whitelock's Cerealizer \$70 Chesapeake Phosphate, \$60; Lister Bros Superphosphate of Lime \$65 \$2 ton of 2,000 lbs.

FLOUR-We have nothing new to note in the Cotton more active and a shade firmer - sales of market for this article during the week just end-4,800 bales at 31@31 cents. Flour dull and un- ed. There is a moderate supply of both Northern changed. Wheat favors buyers. Corn heavy- and State brands in dealers' hands, and we quote only a retail business doing from store at figures

GRAIN-The CORN market rules about the same stock of former arrivals remaining in dealers bushel of 56 lbs. - the balance has gone into store, and is selling in the small way at \$1 35 .--OATS-Only a retail demand exists, and the supply in store is sufficient for present wants. Retailing at \$1 \$ bushel. - PEAS-The market has become almost bare, in the absence of receipts for a few weeks, and we note an active demand for all descriptions. No sales reported, and we quote nominally at \$1 75@\$2 for Cow, and \$2 25@\$2 50 in moderate supply, and only a retail demand. -We quote Carolina at 101@111 cents # 15.

HAY-The market is heavily supplied, and demand meagre. No receipts or sales for the week, and quotations in table are therefore merely nom-

LIME-Only a local demand, and market well supplied. We quote from store at \$1 60@\$1 80 % Molasses-The market is moderately supplied with nearly all kinds, and rules steady, with a fair business doing at quotations in table. PEA NUTS-Have been in moderate request

since our last, and very few coming to market .-

We quote small sales at prices ranging from \$2 60 to \$2 70 % bushel for ordinary to prime qual-POTATOES-Irish are in moderate supply, and only small sales from store at \$5@\$6 \$ bbl.-Sweet are scarce, and would sell readilynat \$1 50

POULTRY-Is in demand, and the market is very poorly supplied. We quote live fowls at 621/07 Provisions-The Bacon market continues to rule firm, and prices are without material change The supply of N. C. cured is unusually light, and barely sufficient for present wants. There is an active demand for retailing purposes, and parcels find quick sale when offered on market. Little or none has been brought in, and we quote only small sales from carts at 19@20 cents for hop round, and 21@22 cents is th. for hams. West ern is in moderate supply, and the market also done from store during the week in the small way at 151@16 cents for shoulders, and 18@19 cents th. for sides .-- LARD-Market bare of North Carolina, and we quote nominally at 20 cents .-There is a moderate stock of Northern in store and we quote small sales at 17@20 cents # !!

--- Porg-The market is at present moderate ly supplied with Northern, and rules firm at former figures. There has been a moderate business done from store at quotations given in table. SALT-Is in moderate supply and demand meagre. We quote in the small way from store at \$2 50 Peack for Liverpool ground. shipment, but at present it appears to have be-

mon, and \$4@\$5 W. for Contract. TIMBER-Has ruled about the same as reported for the past two weeks. The quantity coming in has been light, and there has been a fair demand for mill purposes-prime quality having found ready sale at former quotations. We quote the sale of several rafts at \$5@\$5 50 for inferior, \$600 \$6 50 for ordinary, #7@\$8 for fair, \$8 50@\$9 50 for prime, and \$10 50 B M. for extra mill.

Wood-Is brought in sparingly, and sells by the boat load at \$2 50 to \$3 for ash and pine, and \$3@ \$3 25 % cord for oak and lightwood.
